Save the Date!

This year’s Region 12 Membership Social will be on February 23, 2012 at 4:45 P.M. at the University of Redlands’ “University Club.” This event will include:

- A light dinner and beverages
- Guest speaker **Sal Villasenor**, ACSA Legislative Advocate, who will bring us up to date on issues from Sacramento
- Opportunities to learn what ACSA has to offer its members
- A chance to meet and greet other colleagues and leaders in the region
- Welcoming members of our newest charter, the “Student/ Associate Charter” (SAC).

“*Enjoyment in working together and celebrating the profession” is one of State ACSA’s Core Values. Please join your colleagues for this no-cost event and help us welcome officers and members of our newest charter, the Student/ Associate Charter (SAC), who have been invited to attend.*

A primary reason newer administrators do not join ACSA is because no one asked them or shared the benefits of membership with them. Here is your chance to make a difference in a colleague’s life! Bring a prospective new member.
